STOMP

stomp

Born from the DIY gig posters of bands such as Sonic Youth, Swirlies, as well as the many fossilised punk bands of the 90s, Stomp! thrives on rough corners, chaotic letter spacing and YELLING.

Thats all! Use Stomp for your band! Use it for your game! Use it for your website! Use it for all official documents!

GO out to parties, YELL at your friends, BUMP into strangers, STARE at a wall, THROW your phone, SCREAM your NAME, BREAK the bank, TAG a bathroom mirror, DITCH the venue, RUN down the steet, SCRATCH your knees, PET a stray dog, BREATH cold air, SMILE at a stranger, TAKE a traffic cone, FORGET your wallet, MUNCH on some food, KICK a wall, FALL over, ALL THESE THINGS, BITE a rock, CRACK your front tooth, and:

STOMP!
